Word given to Prophet Leslie Johnson, January 22, 2006

In the night I heard the audible voice of God speak the words: "Israel Refuses to Help America." Then I heard the following headlines in my heart. This was the order in which I heard them. Not necessarily the order in which they will happen.

Israel Refuses To Help America

Omer Ushers In Palestinian State

Catastrophe Hits America

One of America's Greatest Times of Need

Israel is Attacked, America Sends Troops

Chaos Reigns As Americans Protest Help to Israel

"It will start with an Internal Revolution..."

Americans became furious. They were mad at the U.S. Government, Jews, and the Muslims.

Arafat in the Hospital

On April 15, 2002, Prophet Leslie Johnson was given a dream. We call it "Arafat in the Hospital." We published it in the Prophecy Club Crusader magazine and read it on radio. It gave several events leading to the fall of America.

1. Arafat would go into the hospital and die there. At the time Arafat was not allowed outside of his compound. Over two years later, 11/11/04 at 3:30 am, Arafat died in the hospital. Confirming the dream.

2. **Israel will give the Palestinians a State.**

3. The Palestinian State will be a temporary measure to allow the Israelis time to strengthen their military.

4. Oil will be discovered in Israel.

5. Oil will make the Jews willing to fight for their land.

6. Israel and America will go against most of the Arab world.
