

But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand.

All other issues and pursuits that consume the passions and purposes of mankind ultimately turn on the eternal question: "Who will be king of the mountain?" This is the ultimate question of history which the power brokers and peoples of this planet must answer, both for time and eternity.

History's final battle for king of the mountain will be a no-holds-barred, winner-take-all, global conflagration. It is, and always has been, and will be the eternal, epic, end-time battle for the temple mount and for the souls of men.

Who, then, will be king of the mountain? Join this amazing journey from the Tower of Babel to the Temple Mount and from creation to the coming of Messiah.

Christine was the woman who stood at the Washington National Cathedral November 2014, proclaiming Jesus Christ as Lord at a Muslim prayer service in a Christian Church which made international headlines. Prophecy in the Bible Codes!

By Jonathan Matthew Wright - Codeseacher

Matthew has been studying Bible codes for ten years and studying Hebrew for almost four years and has been a Bible Prophecy Student for 20 years. He is the only nationally recognized Christian prophecy student teaching the Bible codes. All others are either Jews or agnostic.

It all started with Michael Drosnin's book "The Bible Code". Drosnin was an agnostic that found a code which accurately predicted the death of Yitzhak Rabin. Jonathan bought a Bible Code computer program to verify what they were saying. Not only did he verify what they found but he found MORE! Much more!

He is considered by many to be one of the leading authorities on Christian Bible codes that validate the Bible. He specifically uses the code to unseal the hidden codes of the Bible!

He says that when Daniel was told (DAN 12:4) *But thou, O Daniel, shut up the words, and seal the book, even to the time of the end...* these codes are a part of unsealing the secrets of the Bible. You will not be disappointed!

Nineveh he will delay it for America too... if we repent!!!

How Do We Get America To Repent???

The short answer is FEAR! Get millions of Americans convinced their nation is going to be destroyed.

The men the American people admire most extravagantly are the most daring liars; the men they detest most violently are those who try to tell them the truth. --H.L. Mencken

It is hard to get Americans to listen to any bad news. Pastors, teachers and even the news refuse to say anything negative that might cause fear. We are showered by constant fun through sports, print, audio and video entertainment all shouting, "Have fun, fun, fun!" Even our phones are a source of fun!

In the midst of this our job is to shake them awake and get them to listen! We have to say, "God, the real God, the God of the Bible that killed mankind with the flood has spoken judgment and has decided to destroy America!" If that wasn't near impossible enough, God himself has sent sleep and slumber upon America and we have to chisel through it all!

JER 51:39 In their heat I will make their feasts, and I will make them drunken, that they may rejoice, and sleep a perpetual sleep, and not wake, saith the LORD. [America will party, drink, rejoice, sleep and not awaken.]

JER 51:57 And I will make drunk her princes, and her wise men, her captains, and her rulers, and her mighty men: and they shall sleep a perpetual sleep, and not wake, saith the King, whose name is the LORD of hosts. [God will cause the same sleep to come upon her Royalty, State Governors, Admirals/Generals, Congressmen and Military leaders.]

It almost feels like there is a law in America to never speak negativity! So we have difficult work ahead. So difficult that God gave Leslie a dream warning us we will need security to stop mob violence and assassination attempts on our lives! Yes, that serious! Think about it. When I tell people what the angel said to Dumitru, "In the church there are divorces, adultery, fornication, sodomy, abortion, and all kinds of sin. Jesus Christ doesn't live in sin. He lives in HOLINESS." Many will get furious! When I tell them same sex marriage, sodomy and abortion, among others, is why God is going to destroy America, what will happen? No one is speaking that! They are afraid to say it, but I look forward to it! If they can find me they will kill me! It will be worse than the violence in Ferguson, Missouri!

How Do We Get America to Fill Sports Stadiums?

The short explanation is to get a very large pile of money, large enough to find oil in Israel and purchase massive amounts of radio and television around the globe. First, we must get the message to every American who will listen, so here is my plan:

I plan to make 13 thirty-minute radio and television programs primarily giving the warning given to Dumitru Duduman, but also including segments of Henry Gruver and others. Some programs will go in depth into the warning of what is coming. Others will focus more to convince them it is truly God speaking, and others will focus on the other messages given to Dumitru after the primary warning. Some will talk about our only opportunity to delay it is repentance and defining what repentance will entail. Each program will identify that there are 13 programs in total and tell them they need to watch all 13 to get the whole story. I will also point them to the www.prophecyclub.com telling them they can watch all 13 programs there as well as over 200 DVDs for free.

No donations will be requested and I plan to make a rather big point of it. One of the excuses Americans have used to avoid giving to the Gospel

is stating, "If God is truly in your ministry then why doesn't God send you the money to continue? Why are you asking me for money?"

My response will be, "God did send this warning and the money for you to hear it." The problem is I am direct and they won't like the kind of message that God supports! They might wish they could go back to the smooth messages before I am done.

My desire is to make everything at The Prophecy Club free. Some people think I need to charge a little something to give it value, so this is still in discussion. It would be neat to tell them God sent the money for all the radio, TV and DVDs to be all free to show them God is behind it. Once the money comes, the whole objective changes to pure soul-winning.

I hate asking people for money! I would take great delight in telling them they can keep their money. To tell them God supplied the money would probably go a long way in convincing them the message is true.

My agent is ready to purchase all the radio and television times he can purchase in America. I plan to have him pay whatever it takes to purchase every time slot currently purchased by infomercials and anything else that will sell us the time. I want it to be impossible for a person to listen to radio or television for three to six straight months without running across the program many times. The goal is to reach all of America.

Sports Stadiums:

Listening to the best radio or television program in the world is enough. It just can't get people in mass to repent deep enough and get them committed enough to stop sinning and get God to delay the judgment. They will have to go to at least one meeting - a serious meeting! I believe it takes meetings in sports stadiums, and not just one! I would like to reach the top 100 cities with stadium meetings.

After we have blitzed and saturated America with the warning, I will start The Prophecy Club weekly TV program. The program is going to be mix of an interview and a Prophecy Club meeting. The first 15 to 20 minutes will be spent on getting to know the person in a "Jay Leno" style interview aside from the talk information; then I will give the standard Prophecy Club introduction and send them to the podium where they will use powerpoint. The difference is the studio and everything we do will not be typical low-budget-Christian-second-class studio and equipment. The goal will be to make it more classy and professional than CBS and CNN. The message will be hard so we need to package it as pretty as possible!

The typical speaker will talk in thirty minute segments, which will be post-edited into several programs, as the plan is to go to a daily program as soon as everything is in place to do so. At the right time, approximately 12 to 18 months after the 13 segments have started, my plan is to call on America to Fasting-Repentance Rallies (FRR) in sports stadiums! It is essential to saturate America with the judgment message first.

What is my Plan to Fill the Sports Stadiums?

By the time I have blitzed America with the 13 programs, they will have enough teaching so they will not only know what I am saying but if they are ever going to believe it, they now believe it. Let's assume at this point we have reached those who will receive it.

I will tell them the Russians will attack and destroy our nation in one hour. Bombs will land in over 100 cities along the coasts! We can't stop it. The ballot, bullet, individual fasting and prayer, won't. We must accept that judgment has been decided. God IS GOING to destroy America. The only thing we can do is to get God to delay the judgment. The best example in the Bible of getting God to delay judgment was Nineveh.

The Nineveh Recipe:

JON 3:4 And Jonah began to enter into the city a day's journey, and he cried, and said, Yet forty days, and Nineveh shall be overthrown. [Has God given America 400 years since His Mayflower Covenant? 1620 to 2020?]

5 So the people of Nineveh believed God, and proclaimed a fast, and put on sackcloth, from the greatest of them even to the least of them.

6 For word came unto the king of Nineveh, and he arose from his throne, and he laid his robe from him, and covered him with sackcloth, and sat in ashes.

7 And he caused it to be proclaimed and published through Nineveh by the decree of the king and his nobles, saying, Let neither man nor beast, herd nor flock, taste any thing: let them not feed, nor drink water:

8 But let man and beast be covered with sackcloth, and cry mightily unto God: yea, let them turn every one from his evil way, and from the violence that is in their hands.

9 Who can tell if God will turn and repent, and turn away from his fierce anger, that we perish not?

10 And God saw their works, that they turned from their evil way; and God repented of the evil, that he had said that he would do unto them; and he did it not.

I will call for America to follow the Nineveh recipe:

Nineveh: Believed God would destroy Nineveh.

America: Must believe God will destroy us too.

Nineveh: Proclaimed a fast.

America: Proclaim a series of nationwide FRR.

Nineveh: Wore sackcloth which is black goat skin.

America: Wear 100% black for three days prior to each local meeting as a sign of repentance and attend an FRR.

Nineveh: From the greatest to the least of them

America: From the President, Congress, Governors to the least will be asked to participate.

Nineveh: The King took off his robe put on sackcloth and sat in ashes.

America: I will call for our leaders to wear all black and repent.

Nineveh: All people and animals fasted food and water for three days.

America: I will ask America to do likewise prior to their local FRR.

Nineveh: Called for all people to cry mightily unto God and turn from their evil and violence.

America: I will ask Americans to attend a FRR and cry mightily to God and turn from their evil and violence.

Why Do I Think God Has Called Me To Organize FRR?

On May 5, 1997 Dumitru Duduman died. I was more than just a little upset. Not only had I lost a friend but also an important mentor. Being so upset I went out to a cabin in the woods and drank only distilled water and read my Bible. On the morning of the sixth day, upon awakening I saw this **vision**:

I was standing in the parking lot of a large sports stadium at dusk watching the cars stream in for miles from all directions! I had been on TV talking about this meeting. The secular media had actually helped get the word out through interviews with me. Their motive was to get the true believers to come. The evil powers planned to take the license plates of the attendees. The attendees knew their license plates would be taken and there would be consequences but they did not care, they wanted to come anyway.

I knew I had organized and was in charge of the meeting. There were other speakers and the message was going to be hard repentance based on Dumitru's warning. Most important, I knew thousands would fall on their face and give their heart to Jesus at the meeting.

From the Hotel to Sports Stadium

Stan Johnson dream, 7-20-14

Lou and I were setting our DVDs up on a table in the hall of a hotel. The spot was not very good so I told Lou I was walking down the hall to find a better spot with more light. After finding a better spot, when I turned to tell Lou he was gone.

Hearing noise coming from behind one of the doors, I walked in the room. As I walked into the room it began to quickly grow from a hotel room to a sports stadium!

On the stage was a man tangled in microphone cords, and the crowd was laughing at the situation. Another man on the stage said, "Here he is, the founder of The Prophecy Club, Stan Johnson!"

Upon turning I was in a sports stadium filled with excited people all wanting to listen to what I had to say! Taking the microphone, I immediately began to worship the LORD with all my heart and encouraged them all to join in! All the people began to worship the LORD with all their heart like I do in my prayer closet.

Vision to Find Oil:

On Nov. 27, 2007, Hayseed's former attorney asked if I would be willing to start a new oil company to continue the vision to find oil in Israel. My response was, "Thanks, but no thanks." I had grown up in the oil field and wanted nothing to do with it. I promised to pray about it but insisted it was unlikely I'd change my mind.

That night I prayed, "Lord, You know I don't have an extra \$5,000 lying around to give that attorney to start some new oil company. If you want me to do this, you have to send the money, in Jesus Name." I thought, "There you go; I got out of that pretty easy," and scarcely gave it a thought until a woman called The Prophecy Club the next day, asking me to return her call about oil in Israel. I thought, "Great, why are these people calling me?"

And about that time somebody said, "She's been a \$50 a month supporter of the ministry for over ten years; you ought to call her back."

Of course I was going to call her anyway, but that erased all doubt. When I spoke with her she said, "Two days ago God woke me in the middle of the night and told me to give you \$30,000 to continue the vision to find oil in Israel!" She couldn't have known of my prayer the night before. Impossible! No way! I had to take this as an answer to my prayer, an arrangement by God to continue the vision to

find oil in Israel. On Jan. 1, 2007 we started Prophetic Oil, Inc. Disclaimer: I cannot guarantee I will ever drill or find oil in Israel.

Funding:

On June 27, 2008 I was on an 18 city speaking tour talking on America’s judgment and oil in Israel. After speaking Amarillo, before going to sleep I prayed, “Lord, I hope you are pleased because it is not going so well. We are spending \$3,500 per city in advertising and not many are showing up, and not many are getting saved.”

That night I heard an audible voice, I mean I heard words say, “Stan, I will give you the money to drill the well in Israel.”

I replied, “The oil well in Israel?” But there was no reply.

So I began praying about how God would give me the money to drill in Israel?

The Plan to find Oil in Israel:

I had a dream telling me to purchase three rigs. Since the Bible says the oil is really deep, my plan is to get three rigs capable of drilling to the maximum depth ever drilled. The Russians drilled a well to 40,000 feet so these rigs will be capable of drilling to 40,000 feet. Each rig costs \$32M and takes six months to build, \$2M and two months to move to Israel and \$1M and one month to set up and about \$6 to \$10M and six to nine months to drill to 30,000 feet. These rigs are not designed to be dismantled. They walk like a duck to the next location up or down up to a 6% grade. I am not going to Israel to drill one hole, I am going to drill until we hit the prophesied mega oil!!!

I plan to place one rig in a northern location, one in a central location and one in a southern location and drill until we hit the massive amounts of oil the Bible says is there. That totals to around \$200M. No we are not offering stock at this time. God will supply. Disclaimer: I cannot guarantee I will ever drill for or find oil in Israel.

How do I plan to get the funds to drill? That is complicated to put in writing but suffice to say I am fairly confident they will come in 2015.

Why Do I Believe The Judgment Will Be Delayed?

First we need to discuss when the judgment unimpeded will arrive.

2020 Message

Stan Johnson, July 2012, It was not a dream and I did not hear a voice. I even answered back but I only heard this in my spirit. I would say it was a hint.

In the night I kept hearing, “Four hundred years” repeating over and over in the night. It was very soft and it repeated several times before I even began to acknowledge it.

I asked, “What? For America? No, that won’t work because Columbus sailed the ocean blue in 1492, add 400 years and you have 1892, that won’t work.” Back to sleep.

Then I heard, “No, from the time My covenant began.”

“Your covenant? What covenant? Oh, the Mayflower Compact. No, that won’t work because the Mayflower Compact was signed in 1620 add 400 years and you arrive at 2020 and Dumitru Duduman arrived in America in 1984, add 40 years and it comes up to 2024.” Back to sleep.

Then I heard over and over, “You have four more years to carry Bibles.” Which I recognized as a phrase the angel spoke to Dumitru Duduman in 1980.

“What? Are you saying that the count down for the last 40 years of warning for America’s Judgment

started in 1980 when the angel first approached Dumitru and told him he was going to America to give them a warning from God? Because if we add 40 years to 1980 we arrive at 2020. Oh. Are you saying that America’s judgment hits in 2020????” ...but there was no answer.

Shane Warren was a guest speaker for The Prophecy Club in October 2012. He is one of the premier voices warning America. God has spoken two very powerful visions to him and in one of them he was told by the audible voice of God that America’s year of judgment would come 400 years after the Mayflower Compact !!!!!!!!!!!!! [Unless we can get a massive repentance in America] He named the year of His covenant with America as ending in 2020 and thus judgment unimpeded anytime after that!!!

Let me make this perfectly clear because setting and missing a date is the death of a ministry. I think this was a **hint** for us to consider. Can I say that America will fall in 2020? Not if I have anything to do with it! It may be saying that unless we get these sports stadiums filled 2020 will be the year! For the sake of discussion let’s go with 2020.

Terry Bennett says he was told by Gabriel that the fall of America would be in 2021!

So now we have two witnesses saying 2020 is the year America falls. Keep in mind, “No man knoweth the day and hour” was speaking of the return of Jesus. No scripture says we cannot know the year of the judgment of America.

Why Do I Believe The Judgment Will Be Delayed?

Our End?

Dream, Leslie Johnson, March 22, 2006

Stan and I were on a beautiful island. We were older - much older. Stan was white haired and did the “old man shuffle.” He couldn’t pick his feet up. He could only shuffle his feet as he walked and my hair was solid grey.

Many of the local people were following us. Stan kept telling them to keep up because we had to keep moving to get out of the city, out of the blast radius of missiles we knew were in the air. He was preaching and leading souls to the Lord. I was still spunky and rounding people up to listen to Stan.

As we walked toward a forest area, the trail became more narrow and the trees more dense. We kept telling the people to hurry and come on; we had to move quickly. Just as we entered the shelter of the trees, I looked up and saw a huge missile hit the city. There was a cloud of sand almost like powder falling from the sky. Out of the sand came a chemical insecticide smell in the air. The smell was so strong I awoke from the dream. The dream was so real I could even taste the chemical when I awoke! And I can still smell it today when I think about it.

Assuming this is part of the Russian attack then because Stan and I were old may mean we still have several years before America falls and we die. This was where Stan I go home to be with the Lord.

I asked Leslie, “What percentage of my hair is grey?”

She said, “Eighty percent.”

Based upon the rate it seems to be going grey how long do I have before it is solid grey?

She said, “Five years!”

EEK! I didn’t want to hear that! So I started looking for another time marker. I play racquetball four times a week with some men in their 80’s that still don’t shuffle. I am 61 so I want to believe with massive repentance we can push this judgment out another 20 years!!

God bless!

Stan

My Encounters with Gabriel ***by Terry Bennett***

For five days beginning Dec. 10, 2001 Gabriel came to Terry over five days and showed him our future. He laid out the future in three sets of seven-year time frames and has visited him several times since then.

He divided the period into three seven-year periods. Starting in 2008 through 2028. He then spoke about each seven-year period, revealing what would be the predominant issue of each period. As Gabriel spoke about these things Terry was shown visions allowing him to see the events happening.

Each period will have a predominant issue beginning with economic trouble, then governmental changes, and finally the rise of a one-world religion. In all of the 21 years (from 2008-2028) there will be some elements from all three of these areas.

Period One 2008-2015 Economic Trouble:

Gabriel said, 2008 will be the beginning of economic sorrows in our nation and in the world. During this time **the great economic wealth of the United States will be neutralized and the military power of the United States will be greatly diminished.** The economic problems will be the primary cause for the military power being weakened.

Gabriel told him, **"The status of the United States as a world power would end during this time."**

Terry explained there was at least some good that would come from this, "In one sense of it this is the protection of the Lord because if it were not for this downfall the spirit of Antichrist that is coming out of Europe would make a grab for this nation."

There will be a change in the U.S. currency. **A different currency is going to come**, at least one. That will entail us **no longer being the reserve currency of the world**. I believe we are on the verge of seeing those things take place in our nation and **the banking system failing** again. So there are very serious things coming economically.

Period Two 2015-2021 – Governmental Changes:

The economic problems of the first seven-year period would be the primary cause for the next major issue occurring during the second period from 2015-2021. 2014-2015 would be a transitional year leading to the next seven-year period, which would be a time of dramatic changes in governments around the world, great political turmoil, and wars.

Terry explained, "What the United States is going to go through is **civil conflict, civil war, and then invasion**. This will greatly diminish the desire of the spirit of Antichrist to take hold of this nation. So there was a side of it, particularly if we pray, that all of this would result in a blessing from the Lord to keep us from the domain of the spirit of Antichrist. I saw in the governmental arena we will go through a **dramatic change in our government and there would be a time of anarchy and chaos**. For a while we will have a **fractional government**, which means basically our **government will come down to the state level** because of **the military stepping in** and having to

seize control of our federal government. We would call it a coup, but in all honesty it will be **to help** our nation. That is why the military will step in. I believe we are now on the verge of these things happening. Lawlessness and chaos was shown to me, and civil unrest."

The Angel Gabriel told Terry, **"When the checks from our government stop coming to the people the chaos will ensue."**

Terry explained, "Then we are going to see a major change with our government. The great economic turmoil in the 2014-2015 year of transition will bring on these changes in government. Then there will arise a new government in Europe, which Gabriel warned me, 'Keep your eyes on four nations. They are signposts to what is coming. Keep your eyes on Greece, Italy, Spain and France. Greece is going to want another Alexander the Great. Italy is going to want an emperor. Spain is going to want a king and queen. France is going to want another Napoleon. Satan is going to offer all three to them in one person. They will say yes. Through chaos they will gain control.'"

Terry explained, "I believe some of that chaos will be created, purposeful, while other chaotic events will come because once they get chaos going they will be unable to control it. The economic chaos will lead to dramatic governmental change in Europe, and in our nation. It will begin in the economic arena and then go forth into the governmental arena. Major governmental changes are going to happen in various parts of the world, particularly in Europe.

Period Three 2022-2028 The Rise of a One-World Religion

The governmental troubles will be in preparation for, particularly in Europe, the arising of the spirit of Antichrist. What is coming is called the New World Order, but behind that is the spirit of Antichrist and the false prophet spirit a one-world religion.

Terry explained, "I was told it would be a combination of three world religions, Judaism, Christianity, and Islam all brought together into a one-world religion. Those three would be combined as a compromise, a mixture. Each of those three religions believes in one god, whereas other religions have many gods. The one-world religion will be presented as a solution that will bring peace, when in reality it will be a compromise and a mixture offered by Satan to turn the world away from the absoluteness that there is no other name under heaven whereby men can be saved but the name of Jesus Christ. Anybody who refuses to accept the new one-world religion will be labeled as a radical terrorist and a threat to world peace. As it goes forward it will move to murder. It will be declared by a religious leader in Europe that this person whom they will receive as their governmental leader is god, when in reality it is the Antichrist."

When this religious leader declared this man to be god, Terry saw hundreds of thousands of Catholics rise up and say, "No." They resisted what they knew was an attack against the Lord Jesus himself. As a result, many Catholics were murdered. He also saw many Protestants resisting and they were also put to death in great numbers. He saw millions of resisters put to death or martyred for their refusal to accept the divinity of the Antichrist.

Terry explained, "There will also be resistor nations who will be unwilling to go down that path, but it will be at a great cost of life that they will resist. Even so, some of them will resist. Satan is going to push for worldwide acceptance of the Antichrist, but he will never be fully accepted. There will be sheep nations that absolutely resist and there will be people groups who absolutely resist."

"You will see 666. You will see the number of man demonically controlled in economics, government, and religion. When it goes to religion that is when the mass martyrdom begins."

—Terry Bennett

Standing in the Gap Outside of the Box

by Jim Wilhelmsen (June speaker)

In 1978 I had a dream of all of the major cities of America were burning from rioting and looting. We were under martial law with Russian, Chinese and a multi-national "peacekeeping force" from the UN policing our land. The Lord was telling me that this was danger to avoid. We saw local residents still sneaking into burned out buildings taking whatever may have been left. Suddenly we saw what looked like our own American troops progressing upon the street in typical cover and move patterns of Urban Warfare. The American looking troops opened fire on everyone killing anything in their path. A voice behind me said, The real danger is going to come the troops from within." They wore American uniforms but they were not American. I looked above and saw our aircraft fighting black triangles and typical UFOs. Our own fighters did not come into service until 15 years after the dream and not until the 80's did anyone ever see a black triangle type UFO.

In 1996 I dreamed I was in some kind of underground complex. I was behind computers and machines. In front of me appeared a Flying Saucer right out of the 1950 Sci-Fy movies. Suddenly the object changed as if it were a hologram and someone was switching channels on and off repeatedly. It became a corpuscle like thing that looked like a living creature that was a fleshly pink with purple veins running through it and pulsating. When it changed into the nut and bolt UFO, I quickly slipped into it and once inside, there was a bright diffused light. There was gold writing on the wall like Hebrew. A voice behind me and said, "For over 50 years the best minds in the country have tried to understand the mystery you see before you. You will only know the truth of this mystery from the Bible! You have to know what the Bible says about this!" Then I woke up.

The two dreams began my journey into the scriptures then all across the nation that led to me living in Roswell NM. There are gaps missing in most people's prophetic understanding of the end times that need to be understood to stop them from being blind sided by this end time deception. Much of what I will share you have never seen on video or books. I guarantee it is backed by scripture and balanced with hope and promises for you in Christ.

You may not have heard of me because I have concentrated on helping victims. I had no time to argue or debate with skeptics. I fully understand what I saw in the dream of America 36 years ago and the UFO connection in history and prophecy. It includes the missing pieces like Time Travel, Inner earth, UFOs and Aliens and their plans for mankind in light of Bible prophecy. We are on the eve of judgment. America is Babylon and no rapture is going to take us away from what we are all about to face. God is big enough to help us overcome and do exploits. This is an opportunity to be part of a great plan the Lord has for a faithful remnant of Americans in Babylon. Thank You and I hope to see you in June. \$

Can We Remove or Delay the Judgment on America?

By Stan Johnson

What Judgment?

First we will see these ten signs as the fall of America approaches:

(Not necessarily in the order of fulfillment.)

Oil Discovered in Israel (not headline)

Oil Makes Jews Willing to Fight for Their Land (not headline)

Omer Ushers in Palestinian State (headline)

Catastrophe Hits America (headline)

One of America's Greatest Times of Need (headline)

Israel Refuses to Help America (headline)

Israel Is Attacked - America Sends Troops (headline)

Chaos Reigns as Americans Protest Help to Israel

(Headline: USA Turns Against Israel)

Israel and America Go Against Arabs (not headline)

Then the fall of America will start with an internal revolution in America, started by the Communists. Some of the people will start fighting against the government. The government will be busy with internal problems. Then, from the oceans, Russia, Cuba, Nicaragua, Central America, Mexico, and two other countries which I cannot remember, will attack! The Russians will bombard the nuclear missile silos in America. Nuclear bombs will land on coastal cities and America will burn.

Can We Remove or Delay the Judgment on America?

The short answer is no/yes. No, we can't remove it but I believe we CAN delay the judgment on America and that answer will take some explaining.

The reason we can't remove the judgment stating God is going to destroy America is:

1. Judgment on America is written in six chapters or more in the Bible. ISA 13, 21, 47; JER 50 & 51 and REV 18. While the example of Nineveh shows us God is willing to embarrass a prophet to get a generation to repent, making six chapters of prophecies in the Bible false to spare one nation, would not be easy to justify.

2. God has spoken the judgment to Dumitru Duduman, Henry Gruver, Bree Keyton and many others.

3. The biggest reason is because JER 51:9 says America won't repent! It is not that God would not stop the judgment if America would repent as much as America does not repent enough to stop it. But, I DO believe we can and will delay it!

JER 51:9 We would have healed Babylon, but she is not healed: forsake her, and let us go every one into his own country: for her judgment reacheth unto heaven, and is lifted up even to the skies.

God already knows that not ENOUGH Americans will repent to stop it, but I believe it is possible to DELAY the judgment.

What God has done for one he will do for another. He is no respecter of persons so in that he delayed the judgment for

Catastrophe: Meteor, Tsunami & Earthquake

By Prophet Efrain Rodriguez

Prophet Efrain Rodriguez was shown in a vision that a large meteor will hit near Puerto Rico and cause a tsunami 1,000 feet high at Puerto Rico. By the time it hits the east coast of America it will be from 200 to 400 ft high and will go inland with its destruction from 20 to 100 miles.

This asteroid strike will have three elements: A shock wave; a 12 point earthquake and a 200 feet high tsunami which will hit the East coast of the United States.

Meteor:

The Destruction of America

By Stan Johnson

Stan puts together the rest of the meteor picture together quoting:

- **SIX** people saw: "...a large meteor hit near Puerto Rico."
- **FIVE** people saw: Tsunami hit Eastern coast of the United States
- **SEVEN** people saw: America split into two pieces

- **FOUR** people saw: Large chunks of California to fall into the ocean!
- **NINE** people saw: America split and 7 because she split Israel.

The meteor hits an earthquake fault which runs up the Mississippi River valley to the Great Lakes and will also split America wide open from the Great Lakes to the Gulf of Mexico and cause much of the west coast from California to Alaska to fall into the ocean.
