

But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand. EZE 33:6

I memorized the book of Revelation. In the process God gave me 28 revelations and two visions. With the help of God, I am putting those into a book prayerfully to be available in early fall. Here is a little about the book.

1,000 Piece Jigsaw Puzzle Box

The secret prophecy that links the Torah to Revelation revealing MANY of the sequence and dating of the end-time events in light of the feasts is like a 1,000-piece jigsaw puzzle. The Jews were given feasts representing the box with the picture on the front. The gentiles were given the prophecy-pieces but not the picture. Both are frustrated, and this book will give them answers they have been seeking for thousands of years!

Jews:

The Jews have kept the feasts. They have lived them, taught them, and carried them for around 3,500 years but since they don't have the pieces in the box, looking at the front of the box is useless.

God put the prophecy in the feasts to bring a great blessing to his people in the last days. Until the Jews are willing to accept that the God of I AM spoke to Moses and John the Revelator they will continue to keep the feasts in frustration knowing they are a "Miqra" a "shadow of things to come" knowing they are a "rehearsal" but never seeing the secret God put in the feasts to point them to the book of Revelation –to the New Testament –to Jesus their Messiah!

Gentiles:

The gentiles have the pieces of the puzzle –the prophecies of Revelation. It is like the box was thrown in the air like a deck of cards and scattered all over. The gentiles find the pieces and saying, "Wow! Look at that! Look what God has given us! Oh, thank you God!" But can't fit them together. They don't know the order, sequence or timing and fuss at each other over which piece goes in what order! It has brought division. They know they have something of great importance but can't fit them together –until now.

Stan's Office

Stan's Office now has thirty-nine 30 to 45 min video teachings. They became so popular he upgraded to a program which allows him to have a video of him speaking on each PowerPoint slide so it is like Stan is with you in the room.

It is recorded from his office computer, so we call it "Stan's Office." There are 39 normal recordings and 17 of the new picture in PowerPoint recordings.

Just search "Prophecy Club Channel" on YouTube and choose my round picture then click "Videos."

Maurice to Stan, Leslie and The Prophecy Club:

Maurice and his wife Devorah ministered at the Spirit of Prophecy Church. Afterwards we went to lunch. After eating I was in the middle of a sentence and Maury interrupted me, "I feel the anointing, I hear the LORD speaking." I grabbed my cell phone and began recording. Maury did NOT know I have been praying for over two years asking God to allow me to be a part of building the land of unwallled villages in Israel! He not only said God was going to let me be a part, but even showed him in the vision where it is to be located. This was a real confirmation and comfort.

I want to use the money from the Israeli oil discovery to bring Christians and Jews back from around the world! I want to ask Israel to allow me to bring them back and build a community for them in the south of Israel.

Masses move to Israel:

ISA 43:5-7 Fear not: for I am with thee: I will bring thy seed from the east, and gather thee from the west; I will say to the north, Give up; and to the south, Keep not back: bring my sons from far, and my daughters from the ends of the earth; Even every one that is called by my name... [Jews and Christians]

Unwallled Villages

EZE 38:11 ...the land of unwallled villages ...to them that are at rest, that dwell safely, all of them dwelling without walls, and having neither bars nor gates, ...the desolate places that are now inhabited, and upon the people that are gathered out of the nations, which have gotten cattle and goods, that dwell in the midst of the land.

REV 12:6 And the woman [Church in Jerusalem] fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days.

Maurice Sklar

prophecy to Prophecy Club

5-20-2018

Maurice sometimes does not finish his sentences, but by the spirit I knew what he was saying so I finished his sentences. I am releasing the part which pertains to our building of God's Kingdom.

Television:

I'm giving you an international television [ministry]. You are going to release the "now" words of God both the annual report on the revival and the judgments. The Lord says this is

what you've been preparing for your whole life.

He says there's three prophetic books that you will memorize. ...you'll have guests on it. It's going to be cutting edge and you're going to report on both kingdoms of light and the darkness.

You're going to be here for the greatest harvest of souls and God says it's not long now. I'm waiting for the precious fruit of the earth. God says you're going to shift into this media thing as your primary focus. The Lord says He's going to bless it greatly.

I kept saying, "Why do you want me here Lord?" He says, "Prophecy this [to Stan, Leslie and the Prophecy Club.] He just said, "To deliver this prophecy was the primary purpose of my coming to you."

You'll be one of the great prophetic voices of the tribulation times and the Lord is going to supernaturally protect you and provide for you.

I see this daily program and God's going to give you influence because you're going to comfort those that are going through difficulties. Right now, you are binging forth a lot of hidden stuff. Because right now people can't comprehend the massive changes coming. For most of the world Judgment is not real. To them it's like the Independence Day movie they can't comprehend what is coming.

In the next few years television and the internet, are going to completely merge and God's going to exalt you at that point. You're going to report on what's happening and God's going to give you what's going to happen in advance to protect the remnant that the end-time is going to be the greatest revival at the same time.

Future Growth:

The time hasn't come yet and that's why you're not received yet. You're so passionate about prophecy because it's

your primary purpose. You've been trained your whole life for this moment. You must discern and separate the precious from the vile then you'll be as My mouth.

The time will come when you won't have access to the written word. You'll get up and proclaim it – God says you're going to memorize the word from now on and God's going to give you supernatural [memory] – he's going to speed up [memorizing] and it's going to get faster and faster and it'll get to where you'll just see it [and remember it.] You've asked God for a photographic memory. And the Lord says that's something to contend for.

Oil in Israel:

You're going to have a work in Israel as well. The oil is coming forth. Oil and gas is coming and don't be discouraged because part of it is your message.

You're going to be helping the end-time Jews. You'll be over there [Israel] and you'll go back and forth God's going to translate you [back and forth]. Wow! Isn't that wonderful? Keep yourself in the right place [righteous] with God so that you don't disqualify yourself.

I see you in Israel. But you were outside of Israel. East of Israel in Jordan – you were down, real further it's towards – it's Saudi Arabia or near there and there is oil there.

I'm just getting a vision now – You're going to be helping the 144,000 – you're going to be helping us but it's like there's a particular tribe that you want to be connected to. But you're going to be helping with the communication and the provision you're going to be a financier and The Prophecy Club is going to be vital and even the Israeli army is going to listen to you. God's going to put around you people even a stronger prophetic unction than you. They will help you protect and providing for the Jews.

You are strategically placed. The Lord is going to use you in this darkest hour the very darkest hour in all history you're going to be mightily used.

Israel is going to expand its territory – you know that. I don't know how, they're going to have the land God promised to Abraham, and there's hidden things there and you're called geographically to this particular place. I could show you on the map. I can see it in my head, it's south and east of the present Israel. South and east of the Dead Sea. I see a circle. I don't know what that means but that's what I see. It's for assignments in the next season. Its geographically and it has to do with oil it has to do with spiritual intelligence.

World Economy:

The Lord says; don't be lulled into a place of sleep right now because this outpouring of grace is temporary. It's the grand finale' – God's just pouring out this wonderful goodness one more time. IT'S GOING TO GET BAD AND WHEN IT DOES IT'LL HAPPEN FAST and when it does that's when your ministry is [going to be received.] [It's] not really received right now but when things get difficult, that's when you will see it [be accepted].

Difficult Job:

It is coming, and you have the very difficult job of pro-warning. That's hard to stay in because it hurts because people don't like to be warned. They don't want to hear it, but you must continue.

I know God's hands are on you. God's hands are on you to do this – you must keep your hand to the plow, you must keep going.

It's not going to be that long before there's going to be some serious, serious, I see explosions, I see judgement, I

The Secret Door of Prophecy

Cont. from page 1

The gentiles will quickly see the link to merge the prophecies create the picture on the front of the box. When they see the overlay of Torah and Revelation it will set the Church FREE! The Jews will rejoice to finally discover the secret prophecy in the feasts and many will find Jesus as Messiah!

Key:

Even when a person is told the feasts link with Revelation the secret does not reveal itself until the key shows them WHICH part of Revelation links with the feasts. This book gives both secrets and the key to finally show the world God's last days plan.

The feasts present a wonderful picture and should out of love be kept. Keeping the feasts will help us see the whole point of all creation –the return of Jesus as King of Kings and Lord of Lords at even on the last day of Trumpets, followed by five days of Judgment during Atonement and the great arrival of the New Jerusalem at even on the first day of Tabernacles.

In 1970 Hal Lindsey published The Late Great Planet Earth a simple book bringing information that in 1970 was needed. It basically gave an example of history then showed how it was fulfilled in Bible prophecy. Most Americans didn't know the Bible foretold the future, so it provided information the public needed at the time. From 1970 to 1990 it sold over 28 million copies.

The Harbinger is a 2012 best-selling Christian novel by Rabbi Jonathan Cahn, a Messianic Jew. It suggests that the 9/11 terrorism attack was a divine warning to the United States. Cahn ties the 9/11 attacks to a section of Isaiah 9, which describes God vowing to destroy ancient Israel for persistent disobedience towards Him and ignoring the warnings He has sent them.

The public was amazed to see ancient Bible prophecies speaking to their modern world.

This book will not only introduce a secular world to Bible prophecy, but every Jew and Christian will read it to find out the secret prophecy placed in the Bible just for them –a secret the Jews were told was there, the Christians will recognize, but none have seen. To my knowledge no one has been shown this! This secret has been hidden for almost 2,000 years!

For almost 3,500 years every Jew has been keeping the feasts –they know them. But to the non-Christian Easter is about Easter egg hunting. To the Christian it is celebrating the Resurrection of Christ. To the Jew it is celebrating Passover and Unleavened Bread –two of the feasts they are commanded to observe each year. They are all connected to the feasts, but they don't know a secret is hidden in them. They will read this book.

Vision to write a book:

Sunday March 11, 2018 I was at Church early. I was encouraging people to come to hear me speak on my next DVD. In the middle of the sentence I saw a vision. It was fast as a blink. I saw that I was to write this book and that this book will be very popular.

This is a book to fill God's Kingdom. I could not have known the most important parts of this book without the visions and revelations he gave, and I put into this book. Blessed be the name of Him that sitteth on the Throne and to the Lamb.

God is going to judge this
world!**

The Lord says You're not just to preach to the saints in your church [but you will also preach through] the media. You must continue and focus.

Always check and don't be deceived. You must be careful [to be accurate]. That doesn't mean don't give the word. Don't retreat from your place. The enemy wants to take [out] all the true Prophets. He either wants to seduce them or deceive them and if he can't do that he wants to destroy them.

You have the unhappy job of being a prophet that will be received when times are difficult and not when times are good.

WatchmansTrumpet.com

We all understand that most of the Church is asleep and doesn't want to wake up. Just sending a friend to a link asking them to watch a video has little chance of getting them to view it.

Watchman's Trumpet is a program which will allow you to "pass along" viewings of Prophecy Club recordings as gifts. The same way you buy a ticket to a sports game and give the ticket away you can give a Prophecy Club recording away.

At WatchmansTrumpet.com you will "gift" a viewing to your friend. You sign up and pre-purchase a block of credits. The more purchased the lower the price per credit. Pricing will range from \$1 to \$5 per viewing depending on popularity of the recording. There is an option for unlimited viewing and emailing.

Prophecy Club Radio

www.prophecyclub.com

You enter their email and select the video/s you would like them to watch as your "gift" to them. They will know you paid for them to watch thus increasing the likelihood of them viewing it. You can include a personal note in the email to introduce the video.

Imagine purchasing a block of credits and doing a cut paste of your friend's emails and sending them an invitation to view a recording AT YOUR EXPENSE. You only get charged if they view it, so your investment of time and money is very low. They can unsubscribe very easily so no one's time is wasted. It gives you a way to instantly offer Prophecy Club recordings to your friends around the world!

...Go ye into all the world, and preach the gospel to every creature.

We contracted with a software company to write Watchman's Trumpet program. They say no one has thought of emailing recordings as gifts. I believe once it is going there may be many ministries who want to include their recordings in it.

The company quoted a price of \$120,000 to write the program.

We agreed to send them \$5,000 a month.

They want \$90,000 before releasing it to go live.

If God has blessed you and you can help, please note your gift for Watchman's Trumpet and we will gift you DOUBLE credits. Make the last digit of your gift a "7" and we will count that as DOUBLE CREDITS for Watchman's Trumpet!

If you give \$1,000 or more now we will gift you lifetime viewing and emailing.
