### The Babylonians Are Coming

Sunday, May 15th, 9 to Noon

Pastor Masih from Pakistan brings a message confirming warnings from Dumitru Duduman, Henry Gruver, Michael Boldea and others.

Due to Muslim threats he uses Mujahid El Masih, an alias, meaning "Warrior for God" but Americans call him "Pastor Masih" (pronounced "Mass cee.") He will give three talks and pray for you after each meeting for miracles and healing.

I will start here and continue his long message winding through the newsletter. May this inspire you!

First, will be his testimony, then his visits to Heaven and Hell, concluding with his main warning "The Babylonians are coming!"

### Miracles in Pakistan

Masih speaks four languages: Punjabi, Urdu, Hindi and English. English is his fourth language, but he is surprisingly easy to understand.

He was born and raised in Pakistan. His parents were uneducated and nominal Christians. In Pakistan all children who attend school are required to memorize the Quran in Arabic. This is very difficult since Arabic is not the official language of Pakistan. As a result, the students are beaten regularly for the mistakes they make while memorizing and reciting the Quran; therefore, Masih was also beaten. They beat his hands and legs so much that he could barely walk, as well as, his backside until he could not even sit down because of the pain. A part of the curriculum was to say the Islamic creed: the Shahada, a two-part statement, "There is no god but Allah and Muhammad is the apostle of Allah." Once someone says this creed they become a Muslim.

Muslims purposefully keep Christians very poor and subservient to make them feel inferior.

Masih grew up in a very poor family. In order to provide himself with an income, he sold eggs for someone on commission every morning before school. This commission was so little that it took him five months to save enough to purchase his first pair of shoes.

While Masih was in school, the teachers and Islamic books made Islam seem very appealing to young men. They brainwashed the students by saying that if you die for Jihad you will have all of your sins forgiven, go to paradise and receive 72 virgins. They taught that Israel, India, and the West were enemies.

In Masih's first year of college Muslims offered to pay for his way through college, so he went to college to receive his pre-medical degree. Then he joined the military for three main reasons: to receive a free  
Each person is responsible to Biblically verify statements.

medical school education; to be an officer in the military with perks and privileges; and to become a martyr for Allah if he one day dies in the Holy War Jihad, so that he could go to paradise. This was the plan, to become a medical doctor and increase in the social hierarchy of Pakistan.

One morning while he was in the military, Masih heard an audible voice that said, "You must leave the military because this will lead you towards destruction." He believed that this was the voice of God, so he prayed and asked God to make a way for him to leave the military. Soon he left the military, but he still had not yet become a Christian.

The voice returned many times to warn him. The last time he heard the voice was one day when he was playing music at a shrine for witch doctors. This time the voice said to him, "If you do not follow Jesus you will die the next day," so he immediately stopped playing the music and left from the shrine. That's when he determined, "I am going to follow Jesus." A few days later the Lord made it possible for him to go to a Christian Church meeting. After the service, a pastor from the meeting came to his room and told him about Jesus. Then Jesus found him and he decided to serve the Lord.

Masih started doing street evangelism. He was beaten because of his preaching of the Gospel. Many attempts were made at killing him, but God spared his life every time.

The Lord called him to be a preacher, but because the salary of pastors in Pakistan was so low, he came up with the idea to join a denomination in order to get paid a little better salary. Then he prayed and asked God which denomination he should join. The Lord told him that the denominations he was thinking of joining did not preach the full Gospel, so he should not join them.

Then he started to pray and God showed him a vision. In the vision he saw a billboard of a Full Gospel Bible School, so he joined that Bible School.

Then Masih inquired of God, "If you have really called me to be a preacher, you must prove it as it is written in Mark 16:17-18." Subsequently God started performing miracles. God healed two crippled people who began to walk and one dead man was raised back to life.

Then Masih told God that he will be a preacher for Him — even if he has to die, has no food, or has to go through torture.

After three years of Bible College, two years in Pakistan and one year in South Africa, he and his wife started a church in Pakistan where God really moved in a powerful way; so that after 18 months they started 14 churches — with the help of God.

Now they have almost 300 churches and have baptized over 23,000 people in Pakistan!

In 1997, the Christians of his hometown were accused by the Muslims of tearing the pages of the Quran and writing evil things about Mohammed. This news spread among the Muslims in the surrounding cities and towns. Those Muslims came and burned down 1,500 Christians homes and 13 church buildings.

I prayed, "Lord I am willing to die if this is the day for me to die." My legs were paralyzed from fear. My children were only four days old and 15 months old. We hid in the mustard plants praying, "Lord keep us safe."

After three days of hiding, we went back home only to find our homes and 13 church buildings totally destroyed. Even so, all the 20,000 Christians gathered to praise the LORD!

I preached we should love our enemies. When we forgave the Muslims and started praying for them, God protected us and started fighting on our behalf!

For example: There was a giant train wreck. There were two Christian families on the train during the accident. Not one Christian was hurt and over 1,000 Muslims died. Only the Christians were spared. The people began saying the Christians are fighting against the Muslims. There were even people who came to me saying, "I want to return the things I have stolen from you."

Another example: One man was going into the churches and breaking the crosses and dragging them in the streets shouting, "Jesus, if you are really God come then, come and save yourself! The next week he died in front of everyone! He kept yelling, "The cross is hitting me! The cross is hitting me!" He was screaming like a man on fire. Two other Muslims who took part with him also died in front of the very church they tore down the cross! The Muslims began saying, "God is fighting for the Christians. God blesses them."

Shortly thereafter fire broke out in Mecca, Saudi Arabia killing 70,000 Muslims. People started saying this needs to be investigated. Muslims came from South Africa to investigate and questioned, "Where did the fire come from?"

The Muslims in Mecca exclaimed, "We saw fire coming down from heaven killing those Muslims!"

God came to help us!

While attending Bible College, the college heard about what happened in Pakistan, so they told us we could go back to rebuild our homes and churches.

One of the Muslims made a video showing the Muslims attacking us. With the help of God we smuggled the video out. The Bible College protested to the Pakistani government. My name was used in the newspaper article so I became a wanted man. No longer could I go to Pakistan. Knowing that I could never go back to my homeland, I cried. People began to ask, "Why don't you stop preaching?" I responded, "I can't stop preaching."

Then I flew to South Africa and started preaching there, and just like in Pakistan many miracles took place. Someone came to me and said, "Pray for my mother, she has breast cancer."

After fasting for two days with no food or water I prayed, "Lord to prove to these people that you are the living God, heal her." She was healed. Many Muslims accepted Jesus and the trouble started.

The woman was the mother of the most prestigious Muslim in town. He was embarrassed that the Christian God healed his mother and he threatened to kill us. We hid with a Christian medical doctor and he requested, "Please preach in my clinic every morning and preach to the people I will show you."

I fasted 30 days and then a 40 day fast. Also, every day I was praying continuously. In a nearby town there was a esteemed, rich warlock. The Doctor said, "We will go there tomorrow." Everyone was afraid of

him, but I was not afraid.

When we drove up this witch doctor was sitting outside and the Holy Spirit came upon me in a powerful way. I could see this was the witch doctor everyone was afraid of. I commanded, "In the name of Jesus Christ I command you to kneel right here, right now." He did. I continued, "In the name of Jesus Christ I command you to give your life to Jesus right now." He did. He got up and began to burn all his witchcraft paraphernalia.

A group of Muslims said, "If you come back to being a Muslim we will give you big money." This group wanted me to go to the Mosque and convert back to Islam. Of course, I refused.

After that there was another miracle. We were smuggled to Johannesburg and I spoke about Jesus on the radio. A man called in saying, "We are going to burn your radio station and kill this guy!" Our lives were spared that day, but the Muslims began to put pressure on the South African government by demanding that we be sent back to Pakistan.

Three times we signed papers and they were all stolen by insiders in the South African government. Finally, the South African government told us we couldn't stay there anymore.

We pleaded, "If you send us back to Pakistan the Muslims will kill us."

The South African government stated, "We can't let you stay, you made the Muslims mad."

We went to the U.S. consulate. At 2 pm I heard a loud voice say, "I am taking you to the United States."

When we went to get our visas, I thought they would reject us, but we applied anyway. The South African government told us we had to go back to Pakistan. We told them if we go back they will kill us.

They said, "You can't stay here, you must go to Pakistan in 15 days." We were to be deported to Pakistan. I asked my wife, "Are you ready to die for Jesus?"

She said, "Yes, but what about our children? If we go back to Pakistan they might use our children to break our faith."

We prayed and the LORD spoke to my wife to pray like Esther. She prayed, "Lord, you told us to apply for visas to go to the U.S. and they insulted us. They said in order for us to have a visa we have to have thus and thus and we don't have it."

I prayed, "Lord close their eyes so they won't see our Pakistani passports and let us pass."

As I stepped out of the car at the U.S. Embassy I prayed, "Lord Jesus, could you please hold our hand as we go through?" I could feel Jesus walking with us as we were walking but no one could see him. We prayed, "Lord, whoever is holding this up remove the hold up." The U.S embassy did not ask us any questions. The man who had been holding up our visas was not there. A lady gave me all the necessary papers and we went through! So we got our visas but we didn't have the money to buy tickets to fly to America.

We prayed and fasted, taking no food or water for seven hours crying on our knees before God. While we were praying, the Pentecostals were bringing the roof down with prayer also.

The people we were staying with told us we had to leave. So now we had no place to live while waiting to purchase plane tickets. We had no food, money nor job. We needed plane tickets for the whole family!

After crying out to God for seven hours, I saw heaven open. A bright light came down from heaven, and I saw Jesus sitting on the right hand stating, "It is done!" It was a powerful voice! All the fear was gone, and we all had peace.

That evening God told me, "This is your last day. Tomorrow it will be over."

The next morning the driver from the church

showed up and asked, "Are you ready to go to the U.S.?" We went to collect our passports and when we opened them we cried. They gave us a three year visa with no paperwork! It was so amazing! God did the impossible!

Then the people we were staying with decided to let us stay three more days until we could get our plane tickets. The next day a man gave us four tickets to the U.S.! Some of the brothers came to investigate to see if it was true! They had to see if we had real passports, visas and airplane tickets! It was another miracle! When they saw they were real, they started giving us money for our trip. They gave us over \$2,000 U.S. and it turned out we needed it.

When we landed they ask us questions, "Where are you going to live? Who is sponsoring you?" If they had seen a Pakistan stamp on the passport they wouldn't have let us in. They couldn't see it! God blinded their eyes! They asked, "What is your job?" The Lord spoke at that moment and said, "Don't answer, I will speak for you."

They said, "Oh, you are going to be a missionary."

I replied, "Yes," and they let us in!!!! They said, "Welcome to the United States." Those wonderful words! Welcome to the United States! We were finally here!

When we came to the United States, we began to pray, "God please open the doors so we can do what you want us to do." Then God showed me a vision. In the vision, He said that my calling in the United States is to strengthen the American church and also warn them that persecution will come. God showed me in the vision that the church is full of goats. He is going to bring persecution/judgment on America that He may separate the goats from the sheep.

In the next vision that God showed me, He told me, "I have called you to warn the American people just like the Prophet Jeremiah as he was warning the Israelites before they went into captivity of the Babylonians." He told me to warn His people that the Babylonians are coming to take over in this country, so tell them to repent of their sins.

Then I saw another vision of houses burning in America. There were rows upon rows of houses burning and burning. I enquired, "What is going on?" The LORD showed me this is what is going to happen.

In another vision I was in a plane looking down watching coastal cities, such as Seattle, on fire. There were submarines emerging up out of the oceans and soldiers marching out of them. There were Russian and Oriental soldiers invading the land. The only people who will survive in the U.S. are those living holy and prayerful lives.

American soldiers were trying to shoot them but their guns were not working and the Russian and Oriental soldiers took over America.

I began to fast asking God that He would open a door for me to let the American people know about these dreams and visions. Also, to warn them about what is coming. I thank God that on March 2, 2016 Stan Johnson of The Prophecy Club called and asked me to tell my story and asked me to speak! Stan told

me that he had been begging God to send him another Dumitru Duduman. We both got our prayers answered in one day! Praise God!

## **A Vision of Heaven:**

This came the 49th day of my fasting. I was in Heaven and also in Hell for more than one hour. I saw the Judgment Seat; God the Father; God the Son; and God the Holy Spirit. There were people getting glorified bodies, a banquet table without people, angels dancing and fireworks. I was also given many things: a horse, weapons, a kingly robe, a crown and shoes. All of these gifts that God had given to me were so overwhelming that I cried. Then I also saw that all of my sins were burned away, destroyed and completely forgotten by God. Finally, I saw people from all races who I had led to Jesus. The most surprising thing about Heaven was that there was such great peace that it cannot be described. Also, the love is so thick and deep you can touch it. There are many more things that God showed me in Heaven that are explained in my book/DVDs.

## **A Vision of Hell:**

I fasted for one hundred days in 2015. During this time the Lord also took me to hell three times. While in Hell I was shown many different kinds of people and many different things. One group of people who I saw were those who preach the false doctrine of 'Once saved, always saved'; pastors who do not preach the full Gospel; prideful people; witch doctors; people who follow false gods and practice false religions, murderers, rapists; people who would not forgive; and many other people. I saw Lucifer with a large whip and even saw my own mother screaming and being tortured in hell. I cried out, "God, why did you allow me to see my own mother in hell?" God answered, "If I had only shown you others it would not motivate you to reach the lost." I also saw the different types of tortures in Hell. Some examples were: a rope being placed around someone's neck and then being dragged into Hell by black angels; demons cutting people with swords; and people in boiling lava continuously screaming. In Hell, pain is increased to the maximum. If people had a sickness or disease on earth, they still have that same sickness and disease in Hell, but a more greatly increased form. The most surprising thing that I saw in Hell was the constant and unending torture of the people there by the demons.

## **Miracles:**

When I was overseas almost everyone I prayed for was healed, but I am not called to be a normal preacher. My calling is to preach the way it used to be in the Book of Acts with healing and miracles.

Michael says God showed him that he made him like a pillar of fire and to whomever he preaches the Gospel to will get saved and be able to walk through walls! In a vision God showed him many people will be healed and see miracles! God has used him for many miracles such as:

A man born deaf instantly healed; demon possession healed instantly; a tumor in the stomach healed instantly!

God was putting me in a test. One night a number of demons came to my room. A witch doctor came to my room and said, "You are disturbing us, why can't you work with us. Let's have a compromise and work together."

I answered, "No, I am a man of God and I can't work with you and I am going to preach the truth."

I was sitting next to a man and God showed me that his back was hurting. The man let me pray for him and he was instantly healed.

I fasted for 40 days: "Could you please hold off on the judgment for America?" If they repent it will be delayed, but if not, it will happen. God showed me that only 10% are Christians in America, and for their sake He is not bringing the judgment. But now the number has dropped, and they have become lukewarm and not repenting and changing. It is definitely going to happen!

The Lord showed me that Obama wants to hurt Benjamin Netanyahu. In the dream I told Benjamin Netanyahu that I will be praying for him that Obama will fail in his attacks against him, that he will succeed.

The next morning I awoke praying loudly for Benjamin Netanyahu for him to win his election. He won the election. This is not a "Thus said the LORD" but I felt like Benjamin Netanyahu would be the last prime minister of Israel before Christ returns.

So much evil is in the leadership of the U.S. and is responsible for the bloodshed of many people around the globe, such as bloodshed caused by ISIS. ISIS was created by the U.S. and God is going to judge for the bloodshed.

Ever since, the Arabs have been trying to kill the Jews!! The heart of the Antichrist/Arab is to kill every Jew; therefore, it is very likely that the Antichrist will descend from Arab blood and all of his family except him will likely be Muslim. He will not be one for he will proclaim himself to be god!

## **Is Islam the Coming "One-World Religion"?**

No, not just Islam. But it is part of it.

The coming world religion, according to Revelation 13 and 18, is a whore. The definition of a whore as it relates to prophecy requires the woman to first be married to Christ then go to another lover. So the whore in Revelation 17 must be a Christian Church that first is with Jesus then turns away after other gods. This concludes that the one-world-religion must first be Christian but shifts away from Christ.

Revelation 18 calls her a woman. Christ is the groom who marries his bride - the church. That is the second reason the whore must be a Christian church.

*...The great whore that sitteth upon many waters:* is a church that rules over many waters (peoples, multitudes, nations and tongues).

This Christian Church must be large enough to rule over Christians speaking other languages, who live in other nations and whose numbers are in the multitudes or millions.

*...The great whore, which did corrupt the earth with her fornication, and hath avenged the blood of his servants at her hand.* This church must cause many people to go away from truth, righteousness, turn to other gods and kill Christians!

This church must derive her funding from "the Beast" world government.

REV 17:3 *...I saw a woman sit upon a scarlet coloured beast...*

The Beast is the world government of ten toes, ten horns or a world government which has divided the seven continents into ten global regions. So this is a church that rules over this world government religiously in the beginning, gets funding from it, but who in the end is destroyed by it.

*...The ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.*

What church rules the world religiously; rules many people even those speaking other languages?

What church will cooperate in the forming of a world government; who has influence over millions of other people enough to get them to all worship one man?

Only one church in the world fits all aforementioned stipulations - the Catholic Church. I am not beating up on Catholics. I have met some very good Christians who were in the Catholic Church. My warning to Catholics is this. Your Pope will one day hijack your church; use his authority against Christ; point to the Antichrist as god and cause many to fall away, killing those who don't go along. Your first priority must be to Christ and the KJV Bible. Be prepared to walk away. When the Pope goes against the Christ and the Bible you must leave, even to the giving of your life. Don't betray Christ!

## **CONCLUSION:**

Only the Catholic Church meets all of the aforementioned requirements.

## **Back to the question: Is Islam the coming "one-world religion"?**

The world-government will be a combination of Christianity, Judaism and Islam because they all have one god.

The beast out of the sea [Revelation 13] is the fourth beast world government of Daniel 7. The beast is made up of the Russian bear, the Islamic leopard and the English lion. Please note the eagle's wings are missing, telling us that our beloved nation will be taken out BEFORE the New World Order is established. In fact, many people believe America is the primary wall stopping the world government and must be eliminated.

Russia claims to be 75% Christian and 15% Islamic. An angel came to Dumitru Duduman and I quote, "I suddenly saw a great beast appear in the doorway of my room. It leaped at me, with its jaws open, ready to tear me apart. It looked like a bear, covered in leopard skin. It was large enough, that I could stand fully erect inside its jaws. Then from my right, a man appeared dressed in white with a sword in his hand. He thrust his sword at the beast, saying: 'Enough. You are not allowed to harm him.'"

The leopard represents the Muslims. The LORD is revealing that many Russians have turned to Islam. This explains why Russia will lead the charge along with the hook in her jaw to attack Israel at Armageddon.

The Antichrist will sit on the Ark of the Covenant (*sitteth in the [JEWISH] temple of God, shewing himself that he is God.*) Obviously that means the Jewish/Judaism God must be included.

In conclusion we can see that the Beast from the sea [world government] is a combination of Russia, England and Islam so the RELIGION of the world government must also be Christian, Islam and Judaism. All three are the religions that only have one god, thus meeting the requirement to merge and force the world to worship one god—the Antichrist!

**The "one world religion" is a whore/mixture of Christianity, Judaism and Muslims.**

## **Where Are the "Unwalled Villages" of Ezekiel 38:11?**

It is Israel.

I taught the "unwalled villages" must be America till I saw this!

One Friday evening in Bible study we were reading through Ezekiel and as we read through chapters 33-39, a revelation was revealed to me! That is one of the wonderful things about God's Word, we can never learn it all. There is always something more. What was revealed will be explained in a condensed version.

First, we have to find the "date stamps" for the Gog Magog war telling us when it takes place - before, during WWII or Armageddon?

Grab your KJV Bible so I don't have to put the entire scriptures in here or I will run out of room.

Beginning in EZE 38:8 *...is gathered out of many people*

### Catastrophe: Meteor, Tsunami & Earthquake

By Prophet Efrain Rodriguez

Prophet Efrain Rodriguez was shown in a vision that a large meteor will hit near Puerto Rico and cause a tsunami 1,000 feet high at Puerto Rico. By the time it hits the East Coast of America it will be from 200 to 400 ft high and will go inland with its destruction from 20 to 100 miles.

This asteroid strike will have three elements: A shock wave; a 12 point earthquake and a 200 feet high tsunami which will hit the East coast of the United States.

Christians and Jews back to Israel. My timing has this before during and especially after WWII.]

...These verses say many Christians AND ALL Jews will move to Israel. ISA 43:5-7 EZE 39:28

... I have found over 30 scriptures which say massive amounts of oil will be found in Israel.

...Israel will give the Palestinians a state.

Prophet Leslie was told in an audible voice January 22, 2006 that "Israel will give the Palestinians a state." The Palestinian state would be a temporary measure to allow the Israelis time to strengthen their military. Oil would be discovered in Israel. [Oil could finance Israel's military build-up.] Oil will make the Jews willing to fight for their land. Israel and America will go against most of the Arab world. This is the start of WWII.

We can conclude that the oil is discovered PRIOR to WWII as the profits from oil sales could finance the Israeli military build-up.

Question: What draws millions of Jews from around the world to pick up shop and move to Israel? I believe oil royalties will draw them back. Once massive amounts of oil are discovered in Israel millions of Israelis of Abraham decent around the world will want to share in their ancient heritage. Israel will share the oil equally with each tribe. The desire to have a monthly oil royalty check based upon their ancestry is a very big drawing card! A DNA blood test can prove their Jewish ancestry qualifying them to receive funds.

As of 2016 there are no *unwalled villages that dwell safely without walls, bars or gates* in Israel!

It is my desire (if God allows) to find and present oil to Israel; to ask Israel to allow me to sponsor millions of Christians and Jews to move to Israel!

DISCLAIMER: I cannot guarantee PROPHETIC OIL INC. will ever get the money, drill and find oil in Israel.

I will ask Israel to allow me to use the southern Negev desert South and west of the Dead Sea as a place to locate them. Today it is worthless desert with almost no one living there. But the Bible says *the desert shall rejoice, and blossom as the rose. It shall blossom abundantly!* Look at the underlined:

JER 33:6-9 *Behold, I will bring it health and cure, and I will cure them, and will reveal unto them the abundance of peace and truth. And I will cause the captivity of Judah and the captivity of Israel to return, [Captivity: Former state of prosperity] and will build them, as at the first. [Bigger, stronger wealthier than ever before!] And I will cleanse them from all their iniquity, whereby they have sinned against me; and I will pardon all their iniquities, whereby they have sinned, and whereby they have transgressed against me. And it shall be to me a name of joy, a praise and an honour before all the nations of the earth, which shall hear all the good [massive oil reserves] that I do unto them: and they [the nations of the world] shall fear and tremble for all the goodness and for all the prosperity that I procure [oil wealth] unto it.*

ISA 51:3 *For the LORD shall ...make her wilderness like Eden...*

EZE 34:13 *And I will bring them out from the people, and gather them from the countries, and will bring them to their own land, and feed [oil wealth] them upon the mountains of Israel by the rivers, and in all the inhabited places of the country. I will feed them in a good pasture, [oil wealth] and upon the high mountains of Israel shall their fold be: there shall they lie in a good fold, and in a fat [oil wealth] pasture shall they feed upon the mountains of Israel. I will feed my flock, and I will cause them to lie down...*

EZE 36:24 *For I will take you from among the heathen, and gather you out of all countries, and will bring you into your own land. Then will I sprinkle clean water upon you, and ye shall be clean: from all your filthiness, and from all your idols, will I cleanse you. A new heart also will I give you, and a new spirit will I put within you: and I will take away the stony heart out of your flesh, and I will give you an heart of flesh. And I will put my spirit within you, [The best*

place on earth to live will soon be Israel!]*and cause you to walk in my statutes, and ye shall keep my judgments, and do them. And ye shall dwell in the land that I gave to your fathers; and ye shall be my people, and I will be your God. 37 ...I will increase them with men like a flock. [Millions will move to Israel!] 38 ...the waste cities be filled with flocks of men: and they shall know that I am the LORD.*

Now back to finding the date-stamp. The day Jesus returns at Armageddon to destroy His enemies with the breath of nostrils, the light of life, when He whets His sword by sending His glory fire on the earth. The day His glory goes all the way to the lowest parts of hell, sets the foundations of the mountains on fire and the hills melt like wax or like water running down a steep place at the presence of the LORD.

As that glory hits the sinner their flesh melts away, their eyes are consumed out of their sockets and their tongues are consumed out of their mouth all before they hit the ground forming a pile of ashes and bones! It happens in a moment, in the twinkling of an eye at the last trump. Jesus returns in one evening and morning, the day of the LORD! So the day of the LORD is less than 24 hours.

ISA 17:14 *And behold at eveningtide trouble; and before the morning he is not. This is the portion of them that spoil us, and the lot of them that rob us.*

The following words are almost always associated with the Day of the LORD: vengeance, wheel, whirlwind, stubble, chaff, tempest, storm, fire, fury, wrath, shaking, hailstones, fire, overflowing rain, cruel, fierce anger, and words which convey darkness blackness & gloominess, great shaking, moved exceedingly. I will underline the words that associate Eze 38-39 with Armageddon and the Day of the Lord.

EZE 38:18 *And it shall come to pass at the same time when Gog shall come against the land of Israel, saith the Lord GOD, that my fury shall come up in my face. 19 For in my jealousy and in the fire of my wrath have I spoken, Surely in that day there shall be a great shaking in the land of Israel; 20 So that the fishes of the sea, and the fowls of the heaven, and the beasts of the field, and all creeping things that creep upon the earth, and all the men that are upon the face of the earth, shall shake at my presence, and the mountains shall be thrown down, and the steep places shall fall, and every wall shall fall to the ground. 21 And I will call for a sword against him throughout all my mountains, saith the Lord GOD: every man's sword shall be against his brother. 22 And I will plead against him with pestilence and with blood; and I will rain upon him, and upon his bands, and upon the many people that are with him, an overflowing rain, and great hailstones, fire, and brimstone. 23 Thus will I magnify myself, and sanctify myself; and I will be known in the eyes of many nations, and they shall know that I am the LORD.*

### **Yes, the Gog/Magog War Is Associated with the Day of the LORD.**

God bless,

Stan

## Mysticism in the Hebrew Roots Movement

New From Leslie Johnson

- “The churches are fraudulent. They live a life as their hearts desire, with their hands stained in blood, adultery, sodomy, worshipping strange and foreign gods. God has allowed them to go as their hearts desire. Tell them to repent with all their hearts, so that I may be able to save them in the day of the Beast’s anger so they will not deny me.”

## Will the Antichrist Be a Muslim?

By Stan Johnson

### Why do a number of popular eschatology writers today proclaim the Antichrist will be Muslim?

He will MOST LIKELY be the son of Muslims but he will NOT be Muslim. To say he is Muslim is to believe that he worships Allah, if he worships Allah that would make him human. When the Antichrist is wounded in the head but does not die and all the world wonders after the beast. Most likely the Spirit of Lucifer will possess his body because that is what he has wanted from the beginning – to be worshipped as God!

2TH 2:4 *Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.*

Prophecy says the Antichrist will likely be a son of Esau. Let’s look at the beginning to know the end.

You remember the story of Esau and Jacob. Jacob got the birthright or the first born blessing of Esau. The firstborn/birthright blessing is twice that of all the other children!

Esau came in from the field and was hungry. Jacob sold a bowl of soup for Esau’s birthright! Which means Jacob/Israel would get twice the inheritance of Esau/Arabs.

As we look at the massive amounts of oil the Arabs have keep in mind the birthright. One day Jacob/Israel will get his birthright. I believe his birthright is primarily massive amount of crude oil. So Israel should have at least twice as much oil as the Arabs!

In general Arabs are people of the field, Jews are people of the city.

### Jewish Nobel Prize Winners

Before the discovery of massive oil on Arab land Arabs were mostly tent dwellers and camel riders. Whereas the Jacob/Israel/Jews make the big money and win Nobel prizes.

The Nobel Prize is an annual, international prize first awarded in 1901 for achievements in Physics, Chemistry, Physiology or Medicine, Literature, and Peace. An associated prize in Economics has been awarded since 1969. Nobel Prizes have been awarded to over 850 individuals, of whom at least 170 individuals (20%) were Jews, although Jews comprise less than 0.2% of the world’s population (or 1 in every 500 people). Overall, Jews have won a total of 41% of all the Nobel Prizes in economics, 28% of medicine, 26% of physics, 19% of chemistry, 13% of literature and 9% of all peace awards.

Jews have been recipients of all six awards. The first Jewish recipient, Adolf von Baeyer, was awarded the prize in Chemistry in 1905. As of 2014, the most recent Jewish recipients included 2014 literature laureate Patrick Modiano, as well as James Rothman and Randy Schekman (Medicine); Arieh Warshel, Michael Levitt and Martin Karplus (Chemistry); and François Englert (Physics), all in 2013. – Wikipedia

### Arab Nobel Prize Winners

People from the Arab countries have been the recipients in three of six award categories: Peace, Chemistry and Literature. The first Arab recipient, Anwar Sadat, was awarded the Peace Prize in 1978.

To put things in perspective: while there have been only two Nobel-winning Muslim scientists, there have also been none from all of Southeast Asia, none from Black Africa and only
